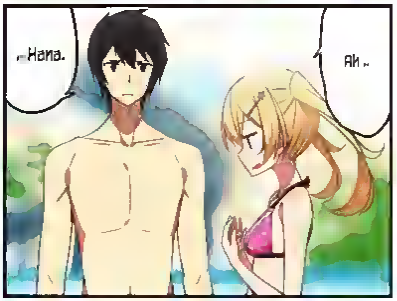
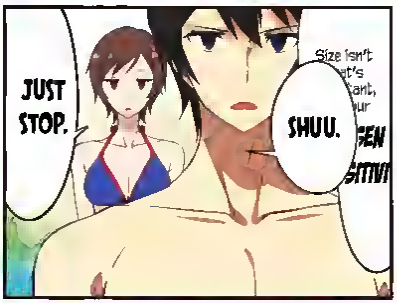
Karen, Aki-chan



...Hana.
Ah...

Is this some kind of philosophical conundrum??
WHY DOES EVERYONE COME TO THE POOL ON THEIR OFF DAY OF ALL DAYS TO HAVE FUN?



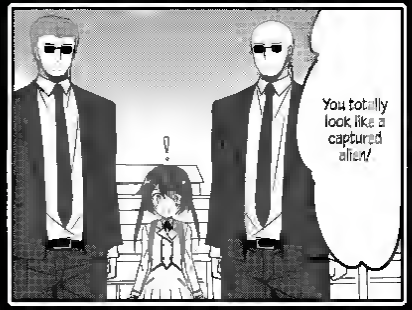
JUST STOP.
SHUU.

城下町のダンデライオン

茜は、全員が特殊能力を持つ王家11人家族の三女。次期国王は国民投票によって、茜達きょうだいの中から選ばれる。その判断材料として、茜達の生活は町中のカメラによって監視され、毎週その様子がTV放送されている。

HM!?
Morning!
Moooorning.
That's funny, should a hero of justice be protected like that, Sakurada?

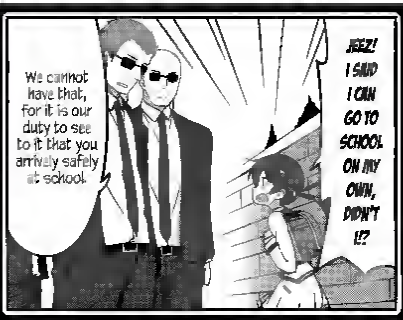
Not only would she get in between fights amongst the boys, she'd jump headfirst into all kinds of danger.
But the thing about Akane back then was that she'd do anything in the name of justice.



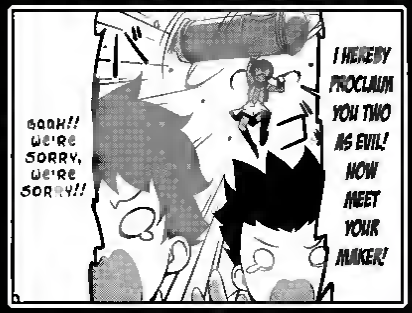
You totally look like a captured alien!
!

That's right, those were the days of my dark past...
And then at some point, the King started having his SP escort her to school and back because he was worried about her.

GRRR...!
DA HA HA HA HA!



We cannot have that, for it is our duty to see to it that you arrive safely at school.
JEEZ! I SAID I CAN GO TO SCHOOL ON MY OWN, DIDN'T I!?



I HEREBY PROCLAIM YOU TWO AS EVIL! NOW MEET YOUR MAKER!
GAAH!! WE'RE SORRY, WE'RE SORRY!!

KHH HHH HHH !!!
We were ordered by the King, so please, we ask that you cooperate with us

You sure no one's gonna be home for a whole week?
Yeah, but the kids next door will be home soon, so try not to make too much noise.
See you later, Akane
Bye bye.

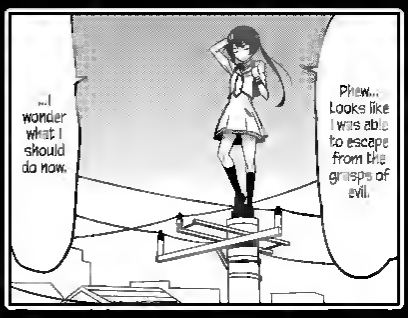
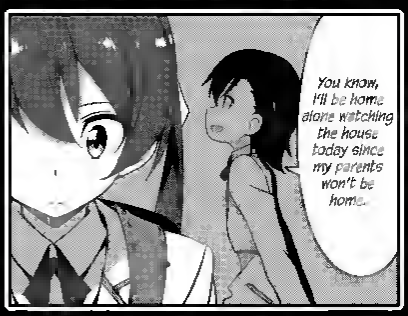
While I'm stuck with these guys, there could be someone in trouble right now...!
But I'll be a bad girl if I don't listen to dad...
Good... Not a peep. But we don't need to stay here longer than we need to, so let's get this over with.
Alrighty.
...Wait! That's wrong! I mustn't lose sight of my beliefs!
Those people are the definition of evil for obstructing my justice!
Pardon our intrusion.
I need to get away... so the town can be safe!

Oh?
Akane-
sama,
are you
not with
the older
gentlemen
today?
YES, I AM IN THE MIDDLE OF MY PATROL,
SO PLEASE EXCUSE ME!
Oh my.



Phew...
Looks like
I was able
to escape
from the
grasps of
evil.
...I
wonder
what I
should
do now.

!
I'm sure
with Akane-
sama around,
our town
will be safe.



You know,
I'll be home
alone watching
the house
today since
my parents
won't be
home.

FUFU-
FUUUN!
Huh?
Akane?

Karen...
I bet she's
feeling so
lonely right
now...

...About
what?
OH, KAREN!
YOU CAN
RELAX NOW,
YOU HAVE
NOTHING
TO WORRY
ABOUT!

She just wants to play with Karen.
GOSH!
SHE IS SO
HELPLESS
WITHOUT
ME!

Huh, why are dad's shoes here?
So, why are you here again?
It's not safe for a girl to watch the house by herself, right?
I figured I'd stop by and keep you company.
Well, whatever.
Go ahead up to the second floor, I'll grab us some juice.
Don't mind me if I do.
Karen.
Uh huh... It's not like there being two girls will change anything, though.

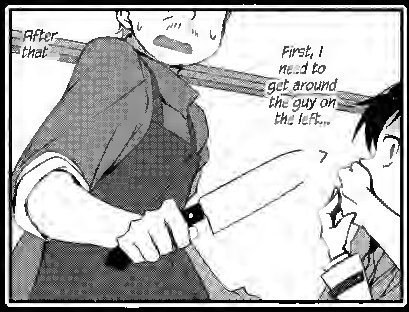
Yes, yes.
I'M NOT A NORMAL GIRL, YOU KNOW?
HUH?
Huh?
O-Of course not!
You really just wanted to come over and play, didn't you?

Karen's in danger...!! I need to save her...!

!?
KYAAH!

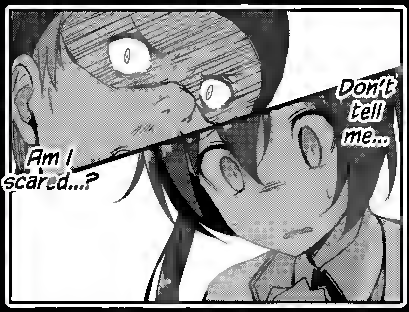


After that
First, I need to get around the guy on the left...

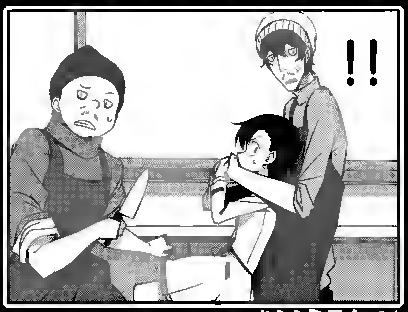
DIDN'T YOU SAY NO ONE WOULD BE HOME!?
ばーッ
Whoa, wait, we won't do anything to you, so stop struggling!

My body... won't move...
...Huh?

KAREN !!?
HOW SHOULD I KNOW!? WHO'S THE ONE THAT WANTED TO START COOKING, HUH!?
WHAT!?



Don't tell me...
Am I scared...?

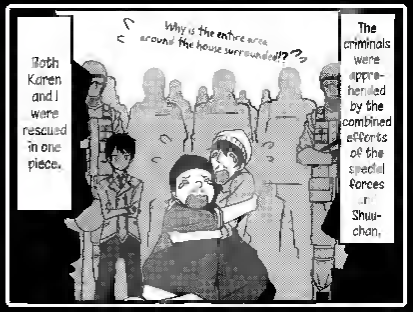


!!

Akane-chan, are you okay...?
Sakurada had it rough...

And soon after, the area was closed in with the help of witness reports from the people in town.
Yes, that's right. Kane-sama passed by here just now!

Huh?
Uh huh, Karen wasn't hurt, either.
W-Well, everything's fine as long you're okay.



Why is the entire area around the house surrounded!?
Both Karen and I were rescued in one piece.
The criminals were appre-hended by the combined efforts of the special forces + Shuu-chan.

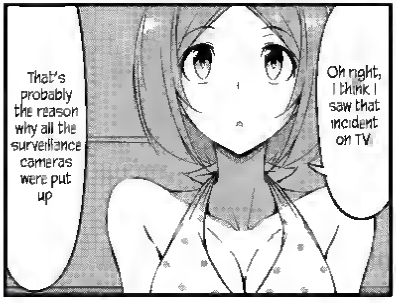
Y Yeah...
I will protect this country!

I'm so glad you're safe...
I'm fine now, Akane.
As for me, all I did was cry in shock despite the danger my friend was in.

Some justice I have.

While waiting for help.
The only thing I could do was shake from fear.

Akane, do you understand why you were afraid that time?



That's probably the reason why all the surveillance cameras were put up
Oh right, I think I saw that incident on TV

Well, it's because of what the burgulars did..

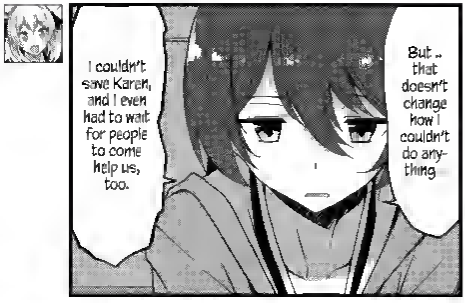
.....
I was so scared... I couldn't even save Karen at all...

Ehhh?
Nope, that's wrong.

I'm not sure if I have enough resolve to even manage that...
If someone like me were to become King, I'm not sure if I'd be able to confront my fears for the citizens..

LIKE I SAID, YOU'RE WRONG.
Even though I'm the one saying it?

Huuuh?
IS THAT REALLY A PROBLEM?



I couldn't save Karen, and I even had to wait for people to come help us, too.
But.. that doesn't change how I couldn't do anything
You could've just run if you were scared, so why didn't you?
You could do it easily
What do you mean why? There's no way I could leave you alone—

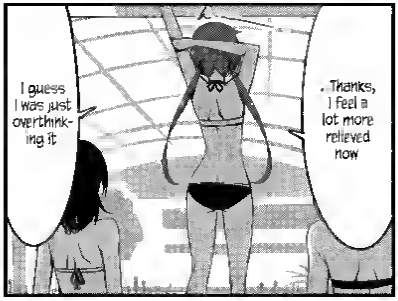
What's wrong with that?
Ahh..
Huh?
See this, Ai-san?

Being King doesn't mean you have to shoulder all the problems by yourself
Akane, it's not the burglars you were scared of

Karen..
I was happy by just having you there with me,
And I was really relieved, too.
You were scared of hurting Karen, right?

COME AGAIN!?
...Maybe I really should marry you, Karen
I can change the laws if I become King, anyway

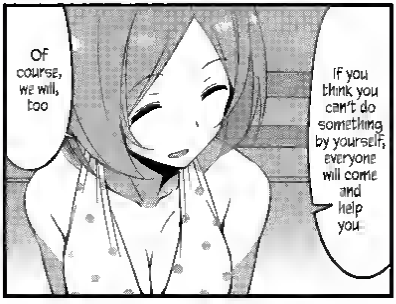
Yep, yep
Is it really okay for a King to rely on others ..?



I guess I was just overthinking it
. Thanks, I feel a lot more relieved now

But for you to be "there" for them
I'm sure the ones voting for you don't want you to do something for them,

I was joking about the marriage earlier, but how about becoming my secretary if I become King?



Of course, we will, too
If you think you can't do something by yourself, everyone will come and help you

Oh, I'll do it!
Hm?
I-IT WAS A JOKE, HUH?

Ugh
Now, now
Heck, I've been supporting you for a long time now, you know
